

e-Library Articles

This e-Library module contains articles relating to pain taken from CEACCP/BJA Education, a joint venture of the British Journal of Anaesthesia and The Royal College of Anaesthetists. BJA Education is also the official journal of The Faculty of Pain Medicine.

CEACCP Articles: 2001

The management of pain following day surgery

CEACCP Articles: 2002

Measuring pain

Brachial plexus blockade

Pain management in infants: systemic analgesics

An overview of neuropathic pain

Patient-controlled analgesia

CEACCP Articles: 2003

Major nerve blocks of the lower limb

The psychology of chronic pain

Cannabinoids and pain

Pain management in critical care

CEACCP Articles: 2004

Thoracic epidural anaesthesia and analgesia

Pain after amputation

Benefit and outcome after epidural analgesia

Pain in the patient with burns

CEACCP Articles: 2005

Treatment of chronic pain: antidepressant, antiepileptic and antiarrhythmic drugs

Opioid receptors

Continuous peripheral nerve blockade

Pain control for thoracotomy

Pain management programmes
Applied epidural anatomy
Acute pain management in patients receiving opioids for chronic and cancer pain
Pharmacotherapy of neuropathic pain
Distal nerve blocks of the lower limb
Pharmacotherapy for cancer pain

CEACCP Articles: 2006
Epidural analgesia for children
Perioperative nerve dysfunction and peripheral nerve blockade
Chronic back pain

CEACCP Articles: 2007
Ultrasound-guided regional anaesthesia
Peripheral nerve block at the elbow and wrist
Complex regional pain syndrome
Ketamine
Opioids in persistent non-cancer pain
Epidural drug delivery and spinal infection
Acupuncture in pain management
Psoas compartment block
Transdermal drug delivery: principles and opioid therapy

CEACCP Articles: 2008
Analgesia for primary hip and knee arthroplasty: the role of regional anaesthesia
Intrathecal opioids in the management of acute postoperative pain
Headache and chronic facial pain
Assessment of neuropathic pain

CEACCP Articles: 2009
Spinal cord stimulation and its anaesthetic implications
Transcutaneous electrical nerve stimulation
Infraclavicular brachial plexus blocks
Pain and fibromyalgia

CEACCP Articles: 2010

Epidural Steroids

Chronic post-surgical pain

Sympathetic blocks

It's your age: the assessment and management of pain in older adults

Minimum local analgesic concentration of local anaesthetics

Analgesia for neonates

Paravertebral block

Chronic pain and prescription opioid misuse

Nerve Blocks of the Anterior Abdominal Wall

CEACCP Articles: 2011

Radiofrequency therapies in chronic pain

Transdermal drug delivery in pain management

Novel techniques of local anaesthetic infiltration

Ultrasound-guided peripheral upper limb nerve blocks for day-case surgery

Chronic pain problems in children and young people

CEACCP Articles: 2012

Regional anaesthesia and antithrombotic drugs

Perioperative peripheral nerve injuries

Post-herpetic neuralgia

Intervertebral disc as a source of pain

Chronic cardiac chest pain

CEACCP Articles: 2013

Radiation safety for anaesthetists

Cyclo-oxygenase-2 inhibitors

Use of ultrasound in chronic pain medicine. Part 1: neuraxial and sympathetic blocks

Non-opioid-based adjuvant analgesia in perioperative care
